Ali Dawah

Salman

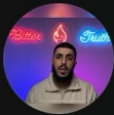

This document contains the entire set of text message exchanges between Ali Dawah and Salman. These are being disclosed to provide full transparency, as a result of the deceit that Ali Dawah has engaged in, with respect to the claims he has made about Salman.

Ali Dawah sends a text, requesting a call due to concerns that Salman used AI to claim it was his kids ... a claim he never made

Salman quickly responds, expressing full willingness to answer any and all questions

Ali Dawah

I never made any claim that the call was my kids screaming

2:37 PM ✓✓

I said it was a call that appeared to come from my children's Islamic school

2:37 PM ✓✓

afterwards I realized it must have been prerecorded or pulled from the web

2:37 PM ✓✓

but they were using that to try and intimidate and threaten me

2:38 PM ✓✓

with respect to [REDACTED] ... I've been talking to him multiple times but will be limited in terms of what I discuss in front of him, as he is trying to mediate between me and Dunia and also with Imam Omar / Shaykh Yaser

2:39 PM ✓✓

they have been trying to undermine my credibility by telling people I am not trustworthy

2:39 PM ✓✓

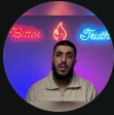

and so now there are multiple things I am battling ... and I need to be careful what level of details I provide to them ... as they have been twisting things

2:40 PM ✓✓

if you are willing to speak in confidence, even with others in your trusted circle, I don't mind at all ... you can interrogate me as long as you want and as much detail as you require

2:41 PM ✓✓

Ali Dawah

alḥamdulillāh I only fear Allāh and am not afraid of all these attacks on me that they are launching ... there are many more things I am lining up to reveal to show who is truly the credible and trustworthy one

2:42 PM ✓✓

also, I'll note ... if I went public and slandered anyone or made up something or lied ... first off, I'd be destroying my akhira ... and second, I'd be setting myself up for countless lawsuits that would destroy me and humiliate me and my family ... but alḥamdulillāh I speak confidently and firmly regarding these because I know I am speaking the truth

2:44 PM ✓✓

there are many more details which unfortunately I could not possibly fit into that first video, which even I couldn't believe almost hit the 2 hour mark ... but inshā'Allāh I am planning on creating followup videos with more details and evidences

2:45 PM ✓✓

I hope you will keep these conversations in confidence, as wallahi I am under attack by these shuyukh and they are not what they appear to be on the outside ...

2:46 PM ✓✓

Do I believe they have a level of sincerity in what they do? Absolutely ... but I've come to know that their egos will do everything in their power to protect themselves, their names, their images, and their brands ... even if it is at the expense of speaking the truth

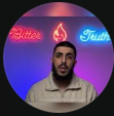

2:47 PM

they are in damage control mode

Ali Dawah

I will also add ... with the brothers in the UK I have been talking to who are connecting to many of the shuyukh or the social media folks ... I've told them very clearly, I am not asking anyone to promote this, but I'd like connect with these people before they publish anything so they can grill me, get all the details, and be confident with what they are speaking about

2:58 PM ✓✓

you'll notice I had created a second video and one of the clarifications I made was in regards to Imam Omar ... to stop these baseless attacks against him and that I vouch for the sincerity in his works and efforts

2:59 PM ✓✓

that's not someone who has a vindictive intention and drive

3:00 PM ✓✓

even with the video, I was hoping that after publishing it would quickly garner attention from leaders, they would step in and intervene, and I would be able to take it down

3:00 PM ✓✓

yet absolutely nothing ... 1 week in

3:01 PM ✓✓

the only reason a few people have reached out to me (on behalf of Imam Omar, including Hassan) is to try and get me to remove the part where I spoke about him

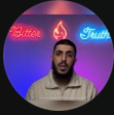

3:02 PM ✓✓

that's to protect their name ... not to do anything with the entire appeal I made

3:02 PM

< 3

Ali Dawah

there is also another development, which inshā'Allāh if we speak first, I'll fill you in ... otherwise I will be working on putting out another video within the next day inshā'Allāh

Assalāmu 'Alaykum bro ... I was informed about your conversation with Imam Omar ... I suggest you don't fall into the trap of being swayed just because some is perceived as a "religious leader" or "shaykh"

11:57 PM ✓✓

Please let me know if you can speak as I'd like to understand what he said

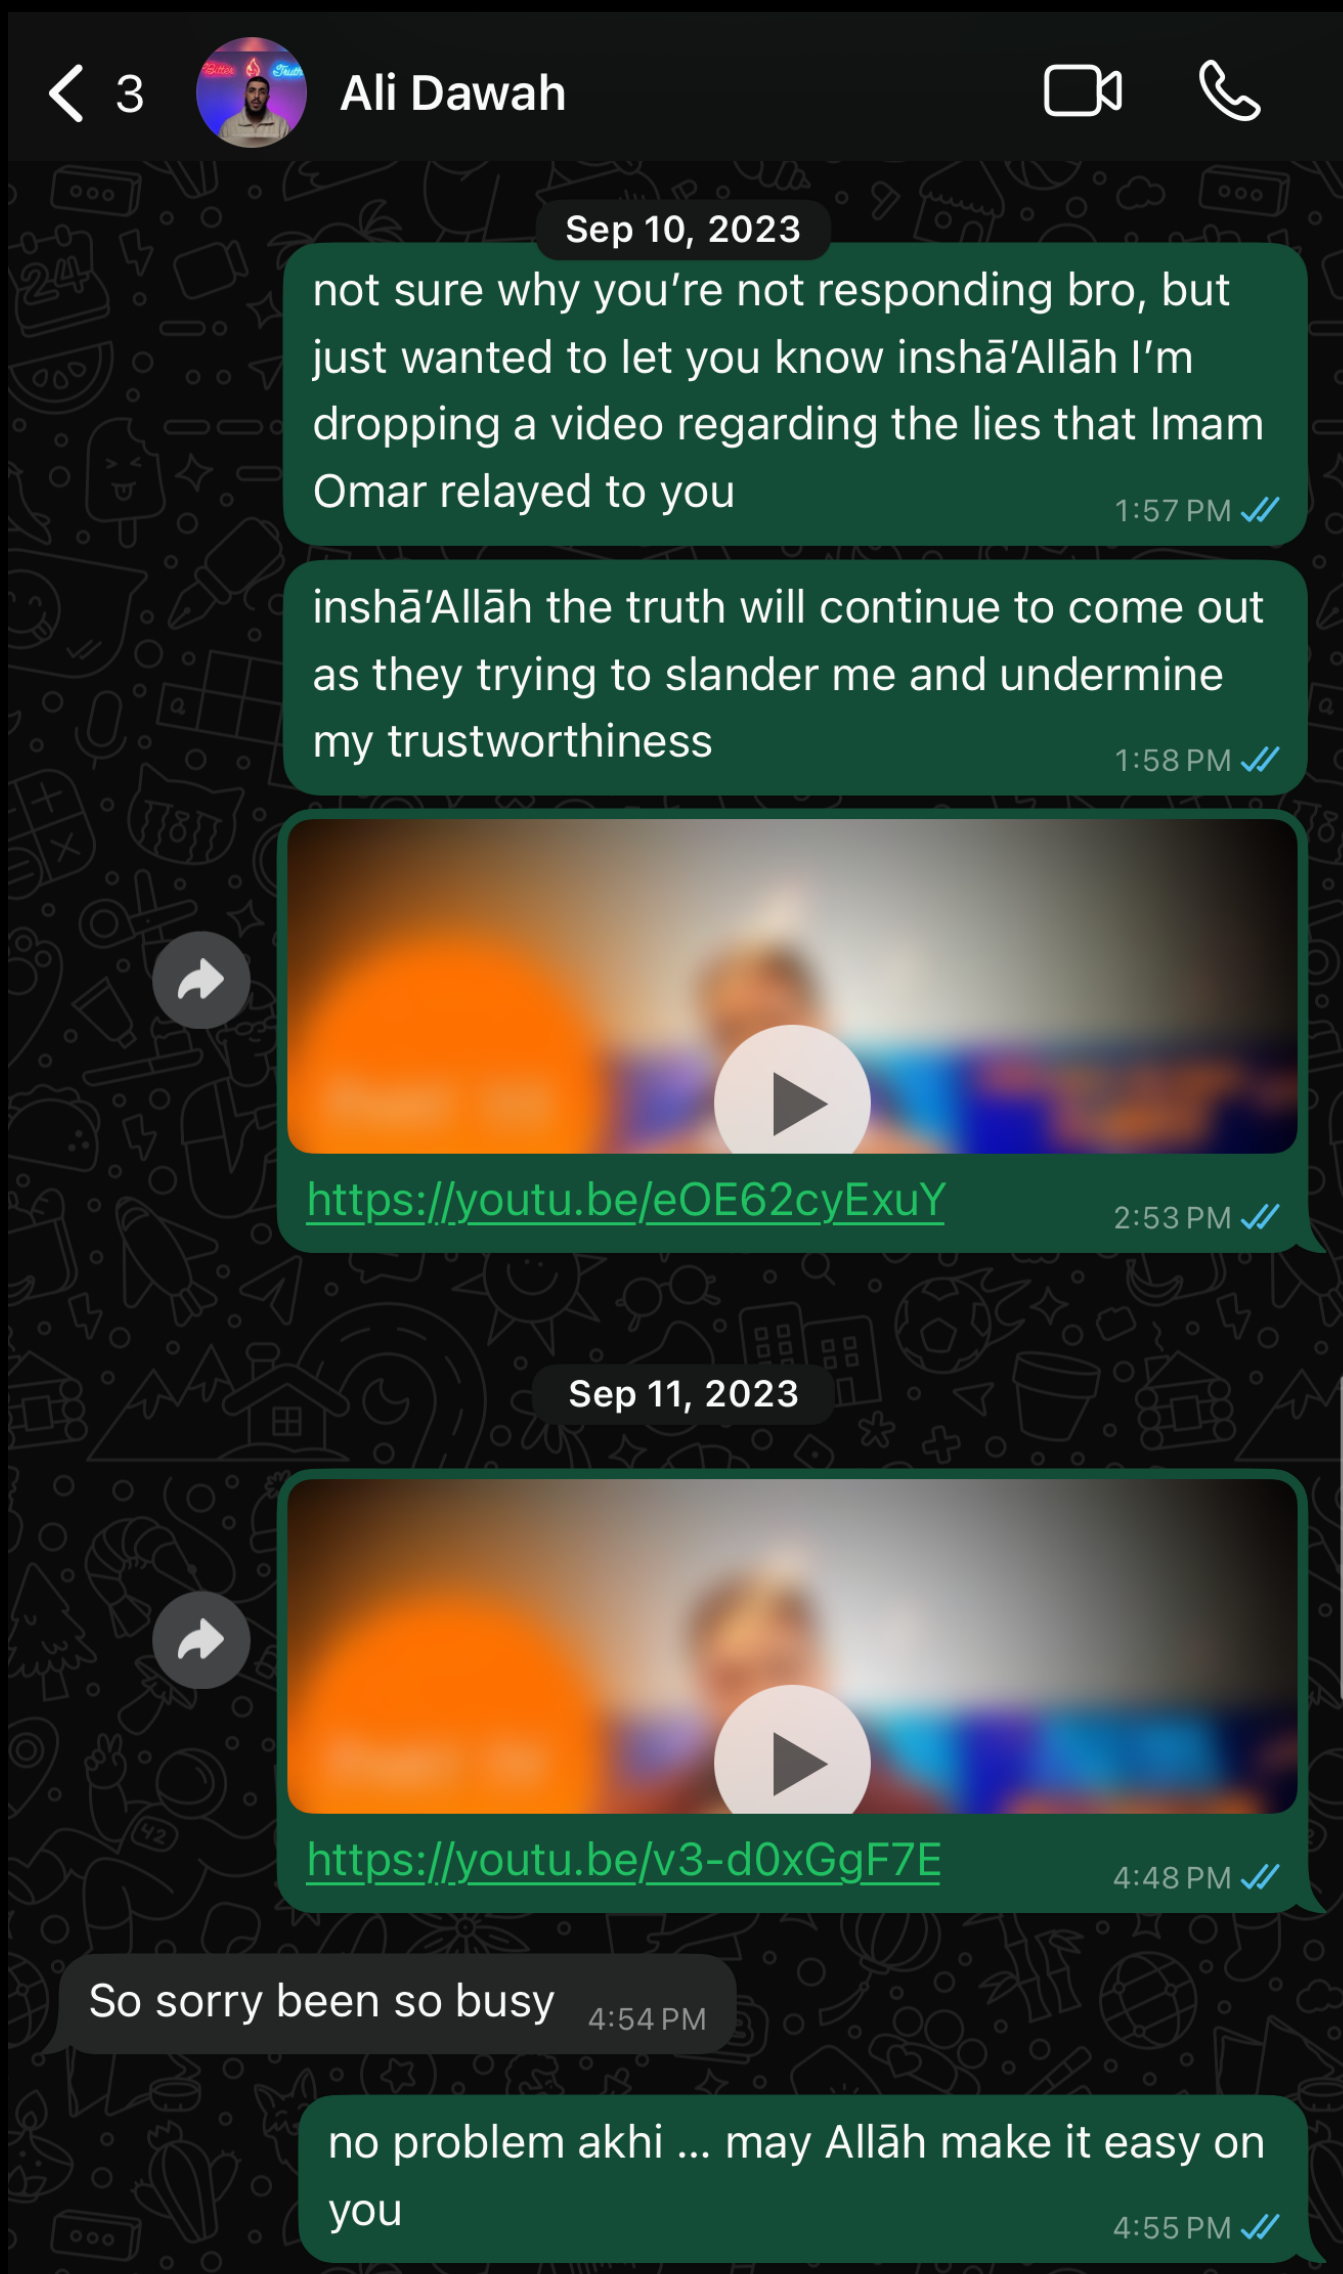

11:58 PM ✓✓

he has been slandering me trying to undermine my credibility only because I mentioned something harmful to his reputation in my video

11:58 PM ✓✓

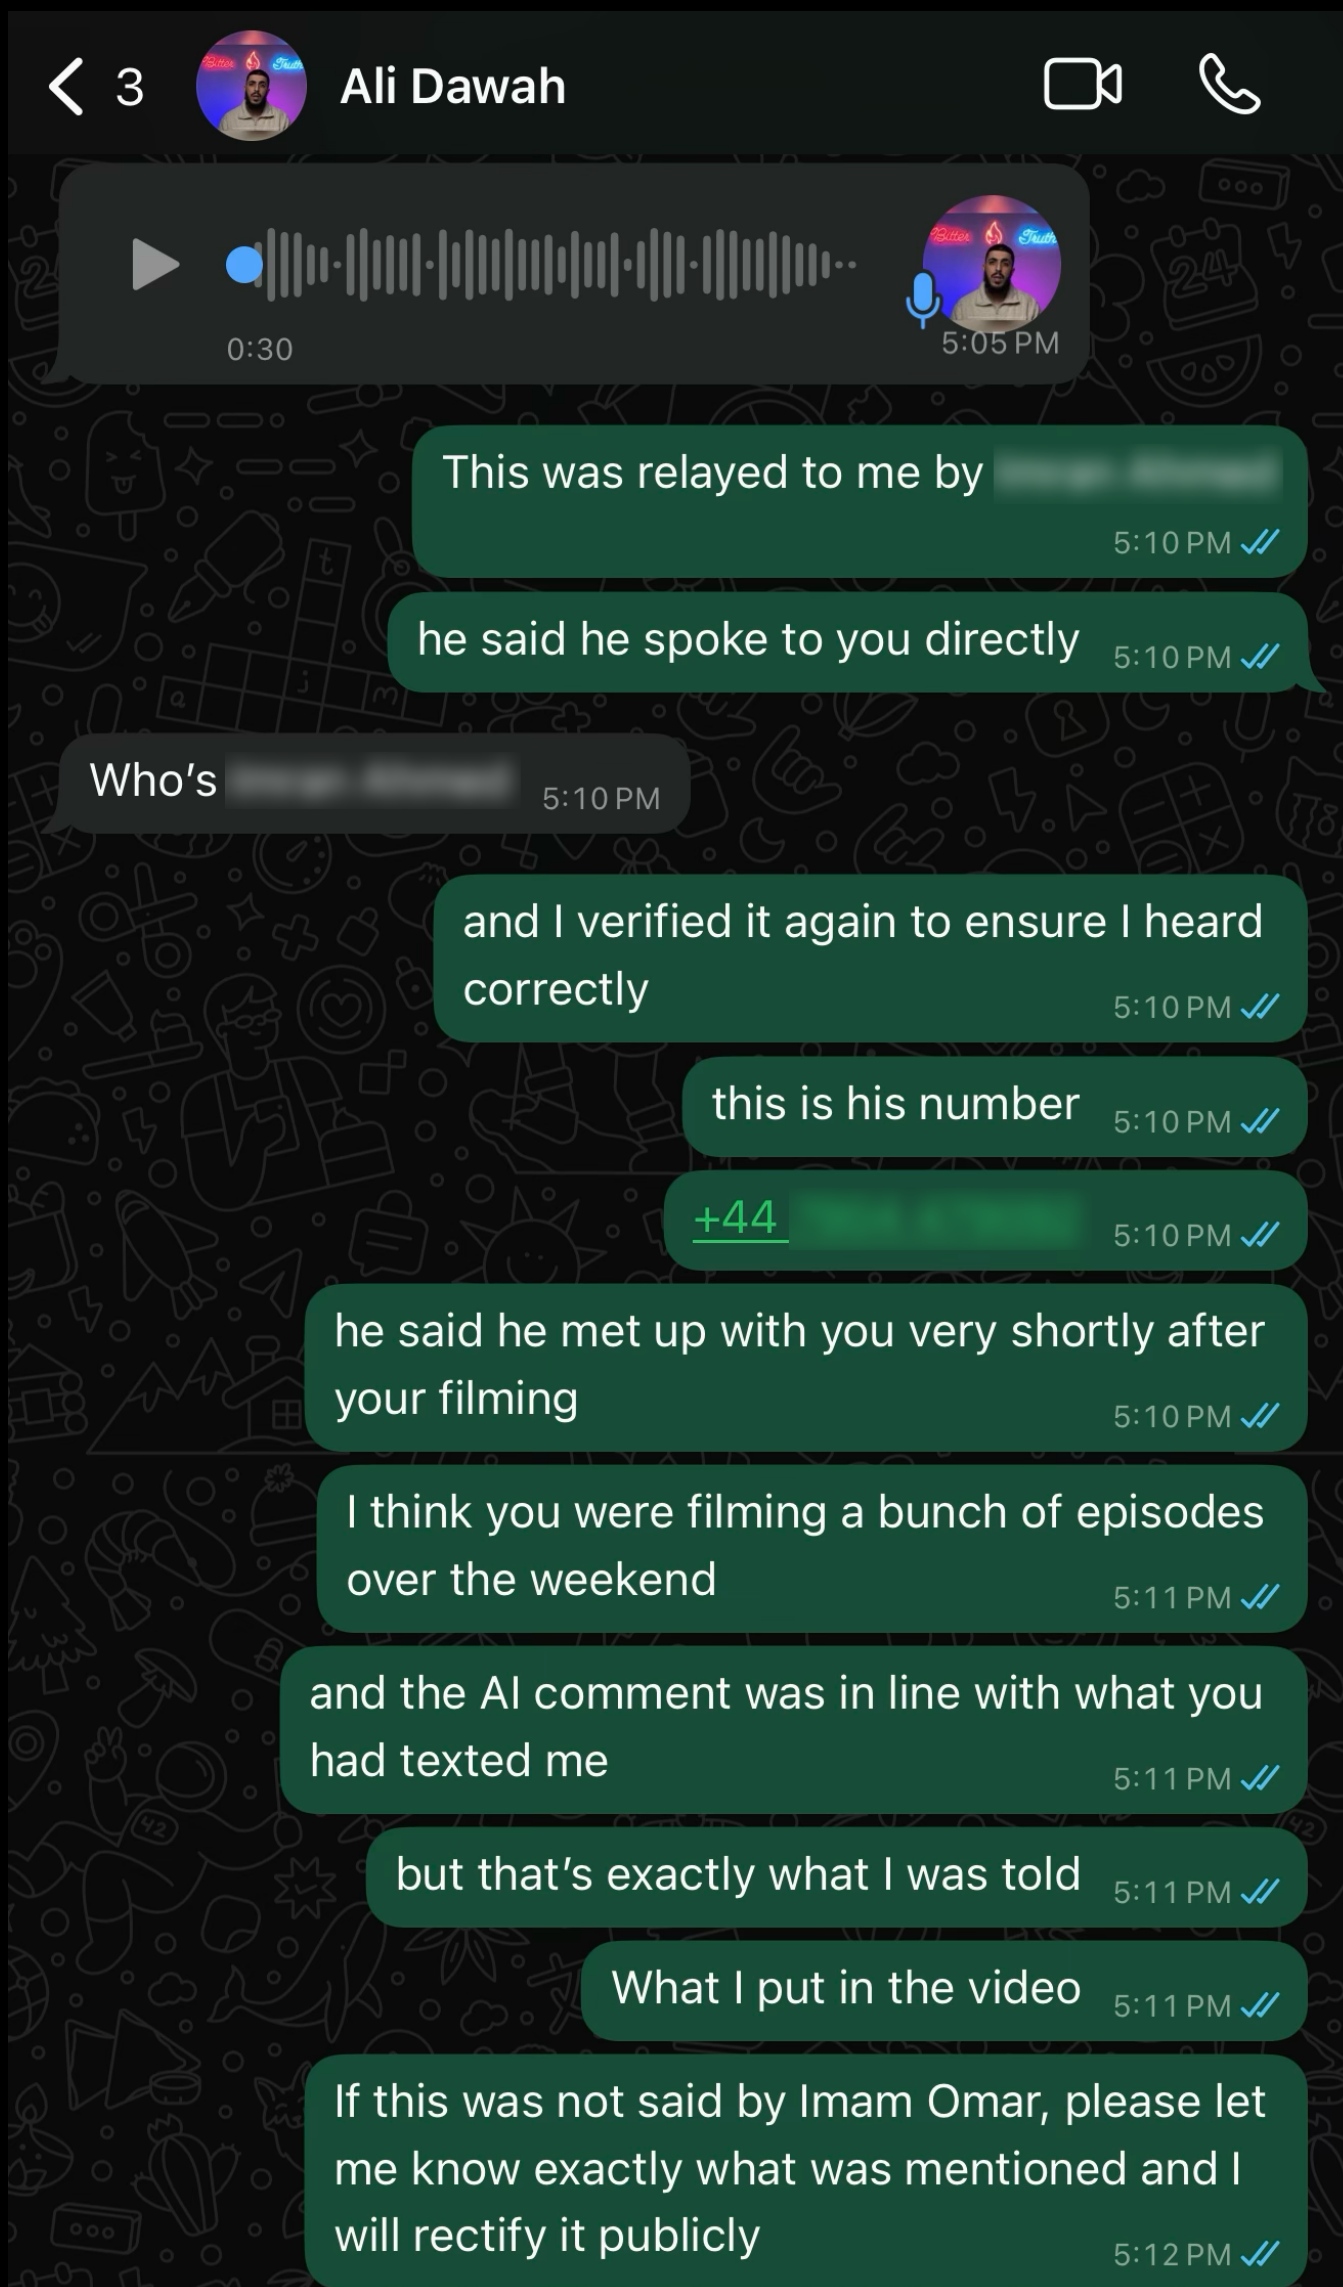

if you don't have time or prefer not to share, that's fine ... inshā'Allāh I'll be releasing a video exposing these lies today

11:59 PM ✓✓

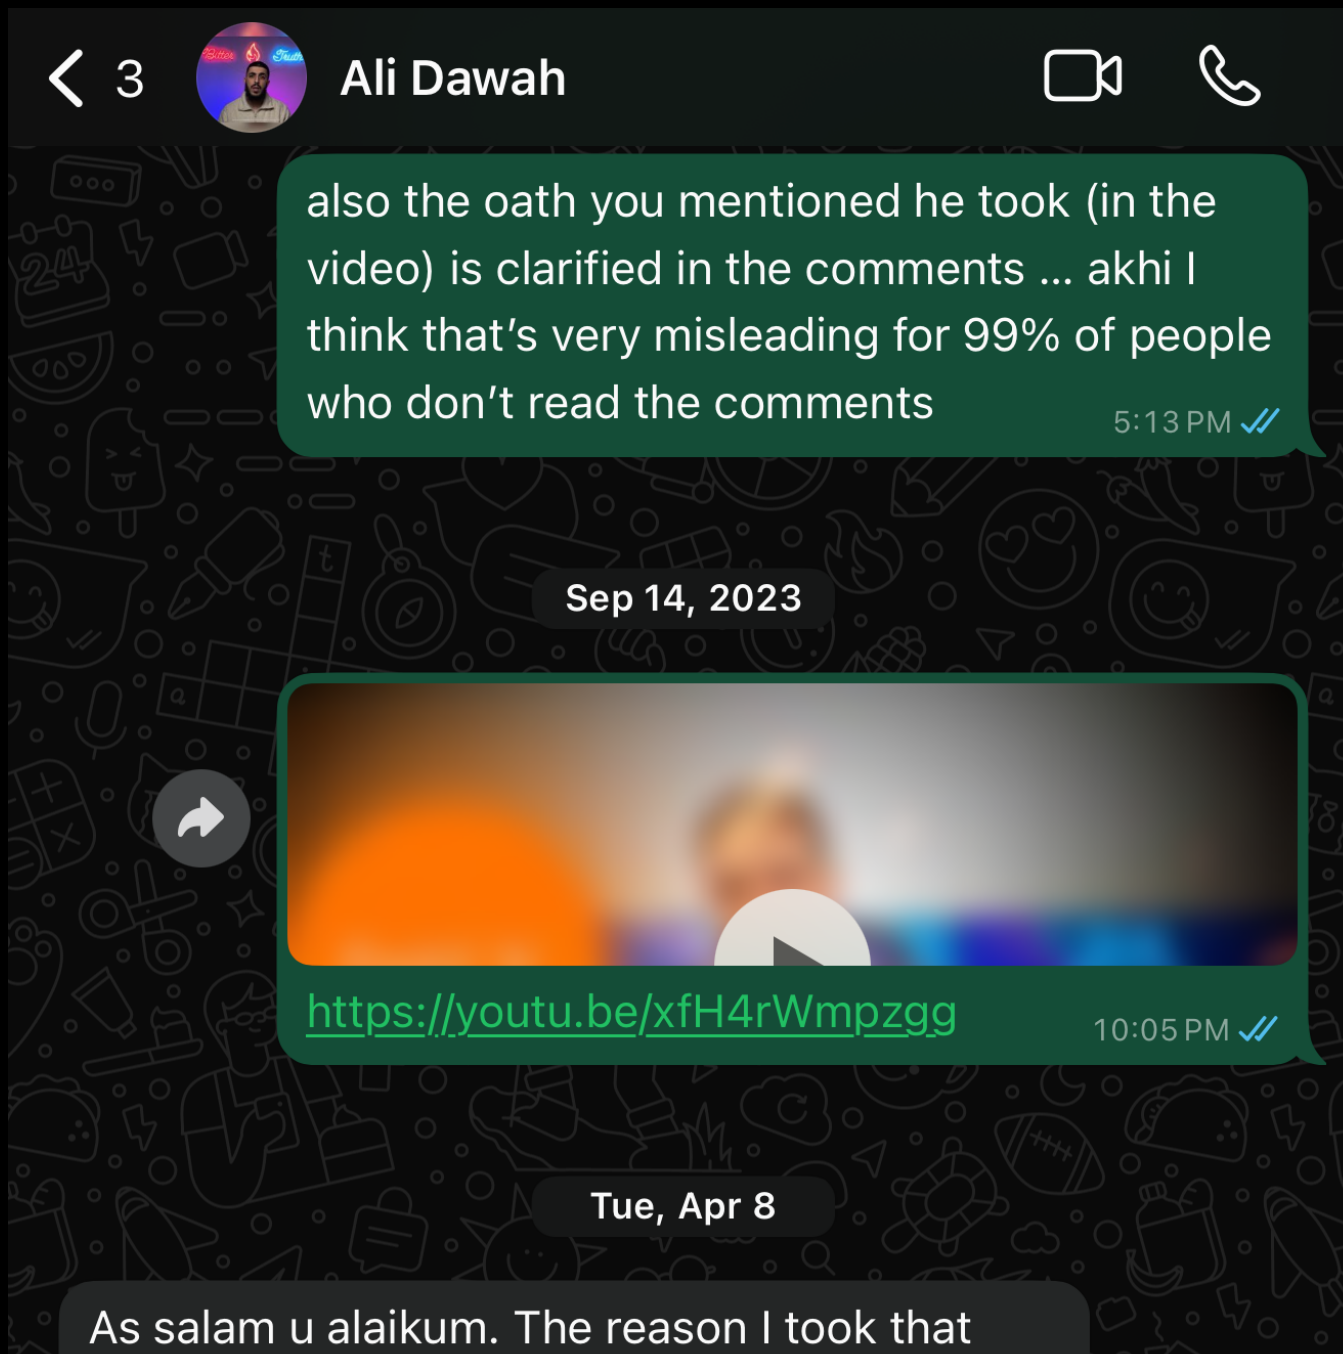

After over 30 messages sent from Salman, Ali Dawah continues to ignore him

Ali Dawah finally sends a message, but fails to acknowledge any of the points brought up by Salman for the past 3 days

Ali Dawah leaves a voice note claiming he didn't tell me the things I mentioned about his conversation with Omar Suleiman

Salman provides Ali Dawah the name and number, yet he refuses to respond afterwards. He ended up calling the brother to confront him about sharing this information with Salman.

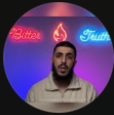

Salman brings up the oath that Ali Dawah mentioned, attributed to Omar Suleiman, and that this was misleading as he didn't provide a proper correction for it.

As salam u alaikum. The reason I took that video down of your wife oppressing you is because I realised what a irresponsible man you are with those accusation about hijab, you haven't seen what ive seen and also how you accused Omar Suleiman of free mixing, you're not a man to be trusted, this week you're going to realise what kind of a woman you gave a platform too who works with the enemies of Islam. Your reputation of standing up for the "oppressed" will be cancelled due to this enemy of Islam trying to get duaat down.

The first video is out and you will watch it in shame of who this bushra really is, but the second video will make you want to shut your YouTube channel down. You're not a man of justice, your hatred to Dunia has blinded your sight of justice, your as unjust as your ex wife if that's even true what you say about her, which I doubt.
